

Newsletter February 2026

Dear Friends,

It's wonderful to see spring flowers emerging already in our beautiful churchyard – the snowdrops started emerging at the end of December and despite the snow last month, they are now emerging in their full beauty! This month sees the start of the season of Lent: the six weeks before Easter when Christians are called to spend time reflecting and praying. It's a season when we intentionally seek to grow spiritually; a time to stop, think, slow down and wait on God, refocusing on Him. Each Lent God calls us to return to Him. To know, receive and be comforted by His goodness and mercy. Lent is not really about what we give up, but where our hearts are directed. Maybe this Lent you will try something new instead? Something you have always wanted to do? This season of self examination and reflection can give us hope and a renewed sense of being, because through life's many ups and downs, God promises always to be with us.

God Bless,

Clare
